HPLC 2023: The world's largest separation science conference & exhibition

Dear [[first name]]

HPLC 2023 in Düsseldorf, Germany will be the world's largest separation science symposium covering all aspects around liquid phase separation technologies, their hyphenation to mass spectrometry and ion-mobility spectrometry. HPLC 2023 features current hot topics in analytical & separation sciences from molecular phenomics, next generation column technologies, digital transformation of the analytical lab, biopharma challenges to single cell analysis. Meet our speakers, for instance.....

John A. McLean
Molecular phenomic in system,
synthetic, and chemical biology

Petra Dittrich
High-density droplets arrays for
high-throughput analysis

Susan V. Olesik
Bioanalysis using enhanced
fluidity liquid chromatography

The full line-up of VIP speakers can be found on [the symposium webpage](#).

Register for: Agilent Best Poster Award

The HPLC symposium series invites academic, institutional, and industrial researchers to share and discuss the results of their work with delegates. The Best Poster Award (BPA) provides a stimulus and incentive for all scientists to attend the HPLC Symposium and present their research results on a poster. The winner gets awarded by 1500 €.

Tick mark for participation at the Best Poster Award when you submit your abstract! More information can be found on [the symposium webpage here](#).

Call for contributions for the Separation Science Slam

Rock your science! Win a 1500 € Cash Award! HPLC 2023 will feature a “Science Slam” as special event. It is a competition between the science slammers and the goal is to win the favor of the audience and jury!

Register now for the HPLC Science Slam! For more information [see this page](#).

Submit your 3-minute video for the HPLC Tube and win 1500 €

HPLC 2023 presents a video competition the HPLC Tube. It is a scientific contest for the best video in which you present the impact of your research for our society.

Excite the audience and the jury by your 3-minute video in which you outline your research in a creative and entertaining manner, delivering your message with scientific and artistic ingenuity. For more information [see this page](#).

We look forward to your participation at HPLC 2023 in Düsseldorf, Germany
